Revenue and Taxation Code Section 19280

Date Filed with the Secretary of State: July 27, 2007

**SUBJECT:** Court Ordered Debt Collection Program/Reduce Minimum Unpaid Debt Amounts  
For Referral To \$100/Franchise Tax Board (FTB) Member Of Task Force To Evaluate Criminal  
& Traffic-Related Court Ordered Debts

**Assembly Bill 367(De Leon), as enacted on July 27, 2007, made the following changes to  
California law:**

Section 1463.02 of the Penal Code is added.

This act establishes a task force to evaluate criminal and traffic-related court-ordered debts  
imposed against adult and juvenile offenders. The task force would include a member  
appointed by FTB.

Section 19280 of the Revenue and Taxation Code is amended.

This act reduces the minimum amount of court ordered debts referred for collection to FTB from  
\$250 to \$100. This act adds public defender fees to the county collection programs for court  
ordered debts and eliminates a county level working group that had been convened to examine  
collection issues. This act authorizes the referral of debts based on violations for parking and  
registration and offenses by pedestrians and bicyclists.

This act is effective on January 1, 2008, and operative as of that date.

This act will not require any reports by the department to the Legislature.
